Mike,

Thanks for the agenda. We look forward to the meeting. I had a few moments yesterday with Peter Grevatt who openly praised the working relationship between the State and EPA Region 9. He seemed pleased with the progress we are making and understands the challenges we both are facing.

We plan to take sandwich orders for anyone interested upon your arrival so we can work through lunch.

See you tomorrow.

Steve

Subject: Proposed Agenda for UIC Meeting

Steve,

We are looking forward to our meeting tomorrow at 11am at your office. We are going to have to leave promptly at 1pm. Given the timing of the meeting we could either bring our lunch or maybe we could order in some food when we arrive if there is a convenient option. Please let us know. Here is a suggested agenda. I believe the information you all are preparing to share can fit within the agenda suggested.

- 1) Response to CA proposed UIC Review Strategy (EPA—10 min)
 - Review of Prior UIC Approvals of Existing Wells used for both waste water/gas disposal and enhanced oil recovery (legacy wells)

- Permitting for proposed wells during the program review
- 2) Review Proposed Process for AE and well permitting (DOGGR—20 min)
- 3) Review estimate of upcoming proposed AEs for legacy wells and pending requests for permits/approvals (DOGGR—20 min)
- 4) Status of 11 Aquifer Exemptions under file review (EPA/discussion all—15 min)
- 5) Assessment of CA's responses to July 17, 2014 EPA letter (EPA--15 min)
- 6) External communications strategies/timing (EPA/discussion all--15 min)
- 7) Next Steps/Follow-up on State proposal and responses to EPA Letter (15 min)

We will be 6 in total. Thanks Again,

Mike

Michael Montgomery
